

The Enrico Caruso Museum of America

Free programs from the AICR with Enrico Caruso Museum membership.

The American Italian Cultural Round Table has been a part of my life for the past twenty-five years. I served this organization as a member of the board, Vice President, and now President. We have donated our time to help educate people about various aspects of cultural relevance by realizing new programs in an effort to better serve the community.

In order to accomplish this task we are continuing to improve our programs making them more educational, interesting, and entertaining. Four times a year we hold exciting programs at Casa Italiana Zerilli Marimo, part of New York University's cultural initiative. These programs vary in topic from musical concerts, to enlightening lectures on different performing arts, and much more.

With a membership to the Enrico Caruso Museum we are offering the opportunity for you to attend 2 programs at New York University's Casa Italiana Zerilli Marimo free. Below are the program topics and dates:

The title of Commendatore has opened many new opportunities for the museum. One of these amazing opportunities is the hope of moving the Enrico Caruso Museum to New York City. Negotiations are underway in an effort to make this dream a reality.

Some other great news! The University of the State of New York has renewed our charter! This new charter is valid until 2021!

Please fill out this form and return it with your \$30/person \$50/family membership donation for 2015 to the Enrico Caruso Foundation. Thank you for your support. We are now a 501-C3 non-profit organization. Your donations are now tax deductible!
